From the Coach's Desk...

by Berti Mariani

Tonight we welcome Canberra Cosmos to Wollongong for their first visit to Brandon Park. Like most of the "regional" teams, Canberra has experienced an up and down season. This is due to the building of a new team

and inconsistency has to be a concern.

As for our team, we did very well considering firstly, the amount of interruption through injury and suspension and secondly, the quality of our opposition. In the first half we more than matched them but again we paid dearly for lapses in concentration.

Tonight we aim to deal with our inconsistencies and go one better than our 2-2 draw at Bruce Stadium in the first meeting.

To all of you from all of us... Merry Christmas & a Happy New Year!

Youth Team Report...

by Dennis Trevor

The lads are really on a roll at the moment with wins against Newcastle Breakers, St George and NSW ITC, along with an exciting draw against the AIS at their last four appearances.

The match against the AIS displayed the character of the side. Forced to defend for most of the first half, they came back hard in the final 45 minutes to force the draw. Coach Larry Gaffney was most pleased with the result.

Tonight's game against the ACT Academy promises to be a thriller. Last time around we managed a last minute goal to gain maximum points. We need not leave it quite that late on this occasion.
